## President's Message

August 2016

As we BBB driving enthusiasts have become more active over the last several years our outings have become more sophisticated and well planned. That good news however, has highlighted what has probably been a gap in communication for quite some time. Anytime any information about a club event goes out it needs to be sent to ALL members. There have been several recent events which required reservations or deadlines or cancellations where the host believed they knew their target audience for the ongoing information. This leaves all members except the selected few out of the loop, and has the potential to cause others to miss something they might have wished to get involved in.

Communicating effectively to all members also takes on another dimension when striving to meet the needs of our many diverse interests. We have members who only go to meetings and those who never go to meetings, who only go on Drive and Dines and who never go on Drive and Dines, who only go to car shows and who never go to car shows, who only go to Retired Gentlemen's lunch and who never go to Retired Gentlemen's lunch. We even have members who never go to anything! Yet, as members we owe it to them to let them know what is happening so they have a choice.

The way most of our communication goes out is email through the membership chair position, Bev Joyce. While I was initially concerned about increasing Bev's workload she was relieved that this area was finally being addressed. Both she and Bruce Beneditz, our events chair, have felt membership notifications have been inadequate for some time. If you are worried that in trying to communicate with 15 people you will be annoying 75 others, don't be. The delete button is easy to push. It's important that this everything to everyone concept is black and white, never a grey area. If it is any communication about a club event then it goes out to everyone through Bev. Another consideration, but a very important one, is that anytime a message goes out through Bev it is sent so a virus on any of the recipients' computers cannot get back to the others on the list!

One final reminder: anytime you send something to Bev or Lynda it must be ready to publish. It is not their job to write the article for you!

For those of you reading this printed on a thin piece of a ground up tree, I offer my humblest apology and sympathy. I know Moses received the Ten Commandments on a tablet of stone, and Abraham Lincoln communicated with a turkey feather dipped in ink, but we have had to move on due to time and costs. Perhaps we are not meeting everyone at their needs, but we are striving to do our best.

Rich

## WEBMASTER REPORT FOR AUGUST

It's hard to believe but the club's new website has been up and running for an entire year. I'm pleased to share that traffic to your website has been strong and steady during our first year with the new software and site redesign. User metrics provided by the new software provide a quick summary of who's using [www.britishbootsandbonnets.com](http://www.britishbootsandbonnets.com). Looking at the year past, your website has averaged 178 visitors per month and those visitors viewed an average of 538 pages (just over 3 page views per visitor). January, April, and August had the most traffic since our roll-out last summer. On average, 28% of our visitors used a mobile devices such as a tablet PC or Smartphone. Most browsers to our site used Google Chrome and the Windows operating systems on a desktop PC. While only 10% of our desktop visitors used a Mac; 63% of our mobile users were on an Apple I-Pad or I-Phone. The software and hosting services used for your website are compatible with all these devices/platforms, and many more.

If you haven't been to [Britishbootsandbonnets.com](http://Britishbootsandbonnets.com) lately, check out the recently posted event photos, member pics, upcoming events calendars, and more. Please let me know if you have any questions or comments. Thanks!

# JULY DRIVE & DINE The Heritage House, Harvard, IL

by Rich and Jackie Bartlett

Driving Elevator Road and Hunter Road many, many times on our trips - hosts, Rich and Jackie Bartlett, opted for a different route starting further South at Westminster Presbyterian Church taking an easterly route following Springcreek Road, Woodstock Road and Hwy 23 to The Heritage House on Route 14, Harvard.

Despite inclement weather, 36 members enjoyed a classic "Supper Club" dinner: relish tray, crackers with cheese, pate, rolls, soup or salad, then an entree - a wide menu - something for everyone's taste, very friendly service - tables of 8, so lots of good conversation. Everyone seemed to enjoy their food - and we were able to help celebrate Lew Moon's birthday. Hurrah! A good time had by all.

The restaurant has a cozy pub style decor feeling, fireplace, wood beams, red leather chairs. For those of you wishing to make a return trip, they have an excellent Friday fish fry. Also, Friday and Saturday nights, they have a piano player playing traditional Broadway Show and film music, very relaxing.

We really want to thank everyone calling ahead to let us know who was attending - the Restaurant really appreciated it too!

## A NEW EXPERIENCE FOR BBB MEMBERS

by Lynda Vickery

Marna and Don Grosenick planned a great club outing to Lake Geneva, WI, to take a ride on the Lake Geneva U.S. Mailboat, Walworth. Twenty-three members met at the Riviera Dock where we boarded in time for the 10:00 am sailing. As hot and humid as the weather has been, it turned out to be cool on the waters of Lake Geneva and downright cold if one was splashed by a wave!

This year is the 100th anniversary of their mailboat service which runs daily from June 15 to Sept 15 every year, and they deliver to about 75 homes around the lake. Energetic young people vie each year for the job of jumping from the boat, depositing mail in the mailbox found on the dock, and jumping back onto the boat. And we learned that some of these teens have parents who also did this as a summer job. All this while the boat continues to move. Not an easy feat, and one that is fun to watch. Our mail deliverers did a splendid job without ending up in the lake.

While the boat sailed it's way around the lake the Captain and his "mates" gave us a running dialogue of the history of the lake, the original estates and their owners, the many new mansions, and many fun facts.

As we were making our way back to the dock, who should we spy but Steve and Polly Carter in their boat out for a day of fishing and celebrating Polly's birthday. They joined us at Popeye's for lunch after we had all docked. Popeye's has been an institution in Lake Geneva for years, but we were seated quickly, the service and food was good!

## NOTE CHANGES TO THE REMAINING CALENDAR EVENTS!

by Bruce Beneditz

There are two changes to the calendar for the fall.

- First, the planned Saturday Drive on September 24th to the Pecatonica Wetlands Forest Preserve has been canceled. This cancelation has allowed us to move the date for Friends Around the Campfire so it does not occur within a week of the BBB Club Picnic.

- Friends Around the Campfire in Eils' Backyard will now become the destination for the Fall Drive which was scheduled for October 8 but will now be held October 1st. Look for more details to come in the Chronicle.

Update your calendars to include these two wonderful events that will wrap up the driving season this year.

Bruce Beneditz

## CAMPFIRE DATE CHANGE

by Larry and Marsha Eils

The date for Friends Around the Campfire has been changed. The new date is Saturday, October 1, 2016. Please put this new date on your calendar and cross off Wednesday, August 31<sup>st</sup>.

We are going to try something different this year. The campfire will be the club's last driving event of the year. The weather should be more favorable for a campfire than late August. You should be plenty of fall color on your drive to Harvard.

Watch the Chronicle for more information. We are looking forward to seeing you around the campfire.

## BBB DINNER AT ALTAMORE'S RISTORANTE - DON'T MISS OUT!

As everyone is aware of by now Altamore's Ristorante will be closing its doors after 40 years.

We are planning one last group dinner there for Monday, August 22, and Alberto said the restaurant can seat 50 people. So, the first 50 reservations will be in, and your check for \$40.00 per person is your reservation. Tax and tip are included in the price but, there will be a cash bar.

Alberto will choose our meal and it will be great as always. Gathering at 6:00 and dinner at 6:30.

Please contact Ron or Nancy Kuhnau with questions and to make arrangements to get your check to them. And please make your check payable to British Boots and Bonnets.

Ron or Nancy Kuhnau,  
nan17k6@aol.com 815-398-5160.

## ANNUAL LABOR DAY PICNIC ON SUNDAY SEPTEMBER 4, 2016

by Lynda Vickery

Be sure to mark your calendar for the BBB Labor Day Picnic on Sunday, September 4; the day before Labor Day Monday. Ed and Luz Lemman host this event at their Liberty Farm Estate. And BBB members consider it one of their most favorite gatherings of the club year.

Hamburgers, brats and soft drinks will be provided along with all the fixings. Please bring a dish to pass. For beverages other than soft drinks please bring your own. A corkscrew and glasses will be provided.

Plan to arrive anytime after 1:00 p.m. for lunch beginning at 2:00 p.m. Please help us to plan by sending an RSVP to Lynda Vickery at [jim.vickery@yahoo.com](mailto:jim.vickery@yahoo.com) or phone 815-623-5611 by Tuesday, August 30th.

On the day of the picnic, please bring lawn chairs to add to the picnic tables that Ed and Luz have. And, if you have a lawn game you would like to share, be sure to bring that along.

And come prepared for a day of BBB camaraderie and the wonderful setting of Liberty Farm Estate.

## BBB TO ATTEND CROSSROADS BLUES SOCIETY FESTIVAL!

On Saturday, August 27, BBB members are again invited to enjoy the **Crossroads Blues Society Annual Blues Festival** at Lyran Park. The live music starts at noon and will go through about 10:00 pm. Performers will be on a stage right along the Kishwaukee River. The seating area slopes at an incline from the stage so the view of the stage is quite good. There will be plenty of space to park our chairs in either sun or shade.

Bev Joyce and Brian Kobischka will lead the caravan to the park. We will gather at Kegels Harley-Davidson dealership (7125 Harrison Ave – Rockford) at 11:15 am and depart for

the park at 11:30. For those unable to join the caravan, feel free to meet us at the park – 4781 S. Bend Road. **Use of MapQuest is not recommended as it is apparently wrong. Please use Google.**

You can learn more about past festivals at <http://www.crossroadsbluesfestival.com>. The Society also has a Facebook page.

Attendees can come and go as their schedule permits. Please bring lawn chairs, blankets, etc., for seating. Food and drink will be provided by a number of festival vendors. If there are any aspiring harmonica players, there will be a workshop in the afternoon.

Tickets at the door are \$10 per person. **If you are interested in attending, please let Bev or Brian know and we will get \$5.00 advance tickets for you. If you would like to caravan with us, please let Bev or Brian know, so we will know to expect you at Kegels (Bev at [andsewon53@comcast.net](mailto:andsewon53@comcast.net)) (Brian at [Brian.kobi@yahoo.com](mailto:Brian.kobi@yahoo.com)).**

*DID - U - KNOW  
by Facia Nearside*

*The name Rolls-Royce has been synonymous with luxury ever since the Silver Ghost of 1907 was introduced. But Rolls-Royce has had its finger in many pies over the years, including the manufacture of aircraft engines to this day. One of those very different directions was dictated by the events of 1914: WWI. All available Silver Ghost chassis were requisitioned to form a squadron of armoured cars. The vehicle had a fully rotating turret with a Vickers water cooled machine gun.*

*At the conclusion of WWI they were modernized and subsequently saw service in Egypt and the Irish Civil War. Not letting a good thing get away there were 76 Rolls-Royce armoured cars in service at the start of WWII. They went on to be used in Iraq, Syria, India, and Burma.*

*Several of the armoured cars have avoided the breaker and are on display at various museums in England. But certainly the most noteworthy is a totally refurbished 1920 model owned by the Irish Defense Forces. It still drives in parades under its own power and is the world's oldest serving armoured vehicle.*
