PRESIDENT'S MESSAGE

FEBRUARY 2017

This is my first message to you our members as your new president and, along with it being Ground Hog Day and Punxsutawney Phil having seen his shadow today forecasting six more weeks of winter, it's still a time filled with anticipation of warmer top down days to come. Sandi and I want you all to know that being newer members of British Boots and Bonnets we could not be more pleased; we have had the pleasure of meeting most of you and really appreciate your warm hospitality. As we visit throughout this year, we must share with you how we acquired our '55 MGTF, a combination of luck and desire to get back into roadster-ing.

A little background and history is in order so that we can be more familiar to everyone. Sandi & I met in San Antonio, TX while I was on active duty with the Army and going through Medevac Pilot Training at Fort Sam Houston. I was driving my first British Roadster, a 1957 BRG MGA when we met, and San Antonio being a very beautiful and romantic city, we had a wonderful time. Sandi eventually bought the MG from me when I left to return to Rhode Island. Over the years, I have owned a white 1962 MGA 1600 MKII and a black 1965 Austin Healey 3000 MKIII. After all this roadster ownership and exciting top down driving, we tied the knot in December 1969 and while living in Corpus Christi, TX we bought our current roadster, a 1955 MGTF 1500 which has traveled with us through 5 states and 6 homes. The TF has undergone a frame off restoration by Lyn and Ron with able assistance from Steve Carter and it was through this restoration time that we learned of BBB and were encouraged to join.

As president I understand we need to call together the officers for the first 2017 board meeting and to facilitate the development of getting to know one another, Sandi and I will host the meeting in our home. I will get back to you shortly with some dates. I want to take this opportunity to thank Rich Cannistra for his great service during his two terms as our president; I certainly have some big shoes to fill. I also want to congratulate the new and continuing officers, thank you for your service to our club; here's to a great year.

Although blind from the age of five, Ralph Teetor graduated from the University of Pennsylvania with a degree in mechanical engineering in 1912. He became a prolific inventor, using his increased sensitivities of touch and hearing as gifts to resolve difficult mechanical design problems. During a 30 year career with the Perfect Circle Piston Ring Company, Teetor rose to become its president, as well as being elected president of the Society of Automotive Engineers in 1936.

One day while riding with his lawyer, Teetor became very annoyed as the driver would slow down while talking then speed up while listening. Determined to develop a device to eliminate this unpleasant rocking motion, he eventually patented the "speedostat" in 1953. Built by Perfect Circle the device was not used commercially until Chrysler installed it on their Imperial and New Yorker models in 1958.

Today Teetor's speedostat is found on all but the most basic automobiles, and has become a luxury which is taken for granted. We simply call it "cruise control".

2016 ICAS HALL OF FAME - RICH & DEE GIBSON!!

by Rich Cannistra

On December 8, 2016 The International Council of Air Shows Foundation recognized BBB members Rich and Dee Gibson for their tireless and innovative work in support of airshow entertainment. As the owners of "Rich's Incredible Pyro" they developed and perfected the pyrotechnic displays used at shows not only in the United States but all over the world. In part, the citation reads "In recognition of pioneering efforts to develop and improve pyrotechnic displays as a safe and exciting element of air show entertainment".

Rich and Dee's long list of accomplishments also includes the IMAX movie "Fighter Pilot: Operation Red Flag", released in 2004. By the late 1990s Rich's Incredible Pyro had become the standard by which all other pyro specialists are measured. To see them in action refer to the YouTube link above. Congratulations to Rich and Dee. The act that always goes on with a BANG!

IN APPRECIATION

I would like to express my sincere appreciation to the members of BBB for the very kind expressions of sympathy on the passing of my sister, Judy Harms. Some members may remember that Judy and her late husband, Jerry, were club members in the late nineties and early two thousands. At that time they owned a 1971 MGB and participated in many club events and outings. Judy was a wonderful sister and a great friend.

JANUARY 2017 DINE EVENT

by Bruce Beneditz

BBB events in 2016 started with a Dine at Tavern on Clark. The event was hosted by Bruce and Phyllis Beneditz. Unfortunately the weather was not cooperative and presented us with an icy drive to the restaurant. While the weather was a deterrent, 12 hardy souls attended and we had an enjoyable evening with excellent service and good food.

EVENTS - FEBRUARY NEWS LETTER

At this time the 2017 events calendar is virtually blank. That means that there is no plan in place for nearly every Dine, every Drive and Dine, every Saturday Drive, and the Long Weekend trip. They are all in need of volunteers to organize and host them.

I am continually amazed at how active our club is, how much we do each summer, and how well attended our events are. However, they don't occur by themselves and require the action by many members of British Boots and Bonnets to make them happen. If you have an idea for any of the events, please contact me, Bruce Beneditz, with your ideas. (Full discloser - if you have an idea you will likely be asked to host or co-host the event. However, even if you would be unable to host, someone else may be willing to run with the idea. All ideas are welcome.) With the help of a few key members I will be holding a planning meeting on March 11th. It would be wonderful to have your ideas and suggestions by then.

I'm looking forward to an active and fun summer.

Safety Fast,

Bruce Beneditz

by Rich Cannistra

The 2017 edition of the BBB club photo calendar is out and available. Once again David Brickman has done a fantastic job of assembling the calendar and coordinating production at a very favorable price. Each current membership will receive one complimentary copy, with distribution occurring only at club meetings. To receive your free copy, simply see Bev Joyce to pay your dues then see Dave Brickman to pick up a calendar.
