PRESIDENT'S MESSAGE

JUNE 2018

I hope you all are enjoying this beautiful weather and are driving your trusty LBCs out and about.

Emerald green is the color and our place is at the height of it's natural beauty; all our trees and undergrowth are filled in and we cannot see another dwelling even though our neighbors are quite close. Our trusty red restored MGTF is looking even more beautiful amongst all this color with lots of trips planned for the next few months.

We will be traveling to Delavan for June's Drive & Dine which will be at the Duck Inn on the 13th. We are still working on a route that offers the twists and turns we are looking for and will get us to the restaurant by 6:30; we're planning on meeting at the Roscoe Middle School NLT 5:30.

The Duck Inn is a long running supper club serving American steakhouse fare and cocktails in a country setting; they have a large party room that was part of the original Inn and we should have a great time. Their web page is at duckinndelevan.com for menu and directions. Please e-mail me with your confirmation that you will attend by June 8th so we can let the Inn know how many to expect for staff planning purposes. My e-mail is f16glo10@gmail.com.

I am receiving smoke signals that planning might be underway for the Day at The Lake outing in July, last year was absolutely great with perfect weather, food, pontoon rides, great hosts and the Queen was available for pictures!! Rich and Jackie Bartlett will be hosting the August Drive and Dine and if you have the time and are willing to step up as hosts, please contact Rich Gibson, Events Chair, I'm sure he will be glad to hear from you. Here's to a June filled with lots of driving adventures and fun.

John

Carol Eggleston is recovering nicely from her surgery for gallstones.
Don Grosenick is recovering in Janesville from his hip replacement surgery last week.

Regalia - Jim Vickery -

Our suppliers (Embroidthis) were welcomed to the meeting and brought along several samples of their shirts and jackets for our club regalia. They have hundreds and hundreds more at their shop. They are located one block south of where they had been. This is a nice new store with very good signage out front. They carry all the name brands, such as NIKE, Northface, Adidas, and more. They and their staff of five can help you fit their products and help get the BBB logo onto your new shirt, jacket, sweater and many other products. Visit them through our club website, britishbootsandbonnets.com/Resources/Club/Regalia, or their website at <http://embroidthis.com/>.

Past Events - Rich Gibson

A huge Thank You to Dwain and Jenny Plymale for hosting the April Drive at The Stone Eagle in Rockford and to Jim and Lynda Vickery for hosting the May Dine and Drive at the Aero Ale House in Byron! Attendees enjoyed the tasty dinners.

A Shout Out to Larry Eils for organizing and running the Garage Tour in April. Although not well-attended, the group enjoyed the Model A's (two are for sale!) at the first stop and the fire engines at the second stop.

A proper British Thank You to Chris Oakes for hostessing the annual Ladies' Tea in her home on April 21st. The savory and sweet goodies were spectacular, as were the five choices of tea!

Yet another big thank you to Tracy Smith for all her work and efforts in planning a May Saturday Drive and restaurant stop. So sorry the details didn't come together for this. Thank you once again for getting involved, Tracy!

Upcoming Events

May 19th Saturday Drive - Meeting at McDonald's on RT 75 and I-90 at 9AM. Departure at 9:15. RSVP to Greg Oakes.

British Boots & Bonnets Event Driving Guidelines

The British Boots and Bonnets Car Club endorses safe driving in all of our events and we encourage all of our members to drive safely for everyone's enjoyment. Members are responsible for their own road safety on trips by obeying all driving laws. The following driving guidelines have been developed over time to achieve that end. It is the responsibility of every BBB club member to be familiar with these guidelines and comply with them to the greatest extent possible while driving in an event.

BBB Driving Guidelines

- * Arrive at the starting location early with a full tank of gas.
- * Be ready to leave on time.
- * At the drivers/riders meeting, listen carefully to the description of the route and any other information the leader wants to pass along. Advise the event leader if you are going to leave before the end of the event.
- * Spacing of 3 seconds between cars is adequate separation during normal driving weather and 4 seconds between cars during inclement weather. When driving through town, close up the interval between you and the car in front of you. You don't want cars pulling in between you. Also, be a good follower by keeping spacing similar to the cars in front of you.
- * In the caravan you are responsible for the car in back of you, not in front of you. If the car behind you stops, you stop to assist them.
- * When you make a turn watch to be sure the car behind you sees you and follows. If you can't see the car behind you, make the turn and wait for the car to catch up and make the turn.
- * Do not pass a car in the caravan that has pulled over unless they have told you they have dropped out or they wave you by.
- * The tail car should drive with headlights on to be visible to the lead car. The lead and tail drivers need to have each other's cell phone numbers.
- * As a courtesy, it is recommended that non-British cars be at the rear of the caravan. This allows better visibility for the leader as well as for cars within the caravan.

DID - U - KNOW

by Facia Nearside

In a fairytale display of pomp and pageantry the Duke and Duchess of Sussex tied the knot at Windsor Castle. Then, with number plates proclaiming the date, they departed for their evening reception in a 50 year old silver blue Jaguar E-Type. Although it appeared to be only another classic car from the royal stable it was anything but. The royals were riding in E-Type Zero.

Just as the royal couple appreciates tradition while embracing the future, Jaguar have committed themselves to a family of eco-friendly vehicles. While this requires low and zero emissions going forward that focus alone is not considered sufficient. With the very real possibility of petrol vehicles being banned from large cities in the future, Jaguar have decided it is just as important to look back as to look ahead. In their words the goal is to "future proof" classic car ownership.

With reverence for the past and enthusiasm for the future, E-Type Zero debuted in September 2017. Converted to 100% electric operation, performance of the 1968 classic has actually been improved while retaining vintage styling and driving characteristics. Additionally, nothing has been altered which would prevent returning the vehicle to original form, thus retaining collector value. Just as the new royal couple has been a paragon of change, this may be the best of British tradition retooled to meet the future.

MAY DRIVE & DINE WAS A SHORT DRIVE TO A NEW DESTINATION.

by Lynda Vickery

After a sort of scenic early spring drive down the East side of the Rock River, Jim and Lynda Vickery led the BBB driving group into Byron, Illinois, to the Aero Ale House where they joined several couples already there. The Aero Ale House was able to seat us in their private room making conversation very easy. The 20 or so attendees enjoyed the casual atmosphere - and the food was good!

BBB's FIRST 2018 SATURDAY DRIVE - THE REUNION TOUR

by Chris Oakes

For 14 years back in the 80-90's we in lived Walworth, WI and, as a result, got to know that part of Wisconsin pretty well. Now that we live in the area again, we thought this would be a good opportunity to revisit some of our favorite roads by taking a leisurely drive to a few old familiar places in Rock, Walworth and a little bit of Jefferson and Waukesha counties.

So early Saturday morning, May 19th the traveling group met near the stateline at I90 and headed out. We traveled from South Beloit through Shopiere, to Palmyra, through East Troy / Kettle Moraine area to lunch at Greenies Clubhouse @ Delbrook Golf Course in Delavan. Some of the roads were familiar to some, but there were a few new roads explored.

A short "educational" quiz was given at Greenies, while waiting for lunch. The Carters won the prize, a flashlight and tea. The return trip was winding through Delavan, Fontana and Walworth, with a stop @ the Ice Cream Shop in Sharon, WI.

The caravan included Bruce & Phyllis Beneditz, Steve & Polly Carter, Larry & Marsha Eils, Rich & Dee Gibson, Rick & Sandy Hamaker, Ron & Nancy Kuhnau, and Greg & Chris Oakes, as the hosts. The weather was cool and overcast, but the drive and socialization was great.
