PRESIDENT'S MESSAGE

MARCH 2019

Greetings to All,

February is finally in our rear-view mirror, so why do I still have cabin fever? It could be because I've had enough of being bundled up in coats, cooped up in the house, and watching the snow, freezing rain and sleet fly. Let's make way for spring, prepping cars for the road, and upcoming BBB events!

Events Chair Rich Gibson and his committee met and are planning something for everyone this year. Take a look at the events calendar here in the Chronicle or on the website and start making plans to join your friends and fellow enthusiasts for driving, food and fun.

At the March club meeting, Charlie Gall will debut our new poster, created to increase club visibility and recruitment. Members can display it on their cars when parked at club events, car shows, or just out and about enjoying their British ride. It's colorful, attractive, and right-sized for LBCs. Be sure to pick one up at the meeting!

Early this year, we put out the call for a volunteer to lead the 2020 club photo calendar project. And we have one! Leon Kitzmiller will join Rich Cannistra and Larry Eils in creating the tenth annual BBB photo calendar. Did you know? The inaugural calendar was produced in 2010 and featured the women of BBB and their love of British cars. Titled "Calendar Girls", it was inspired by the British movie of the same name, although it took a much more modest approach!

See you soon,

Connie Frazier

New Business

Club Calendar- After six years, David Brickman is stepping away from calendar production. Thank you David, and thank you Rich and Larry. If the members desire future calendars,

we will need a volunteer. David will help with the transition. If we do produce 2020 calendars, they will be offered at cost, approximately \$8-\$10. A show of hands vote was taken , and a majority of members present would purchase the calendar. If anyone is interested in taking on the calendar project, please see a board member.

Poster- In looking for ways to increase the BBB Club visibility, Charlie proposed designing a small (letter sized) poster, that would be placed in a member's car at car shows, events, even while parked during shopping. The posters might also be placed in places the Club patronizes, Thunder Bay, and our Dine and Drive venues. The poster would remain in the vehicle, and the owner could pass out BBB Club business cards.

Good Wrench Award Charlie Gall was nominated for the Club Poster idea.

Ed Eggleston Burnt Piston Award No nominations in February.

Raffle No raffle at February meeting.

Joke Connie told a joke about Anne following a snowplow in a parking lot.

EVENTS

by Rich Gibson

The BBB Events Committee had a very successful Events Planning Meeting at the Stone Eagle on Saturday, Feb 23. Sixteen club members attended. A great big THANK YOU to all that attended. We have filled in a lot of the driving season activities for 2019. See attached for details. Our activities are not limited to this “standard” club sign-up sheet. If someone decides its gonna be a nice day / weekend and feels like going somewhere, let Beverly Joyce know and she will do her best to get an email out to club members. This is known as a “SHOW & GO”. The club has done this in the past and a couple people at the planning meeting suggested doing it again, so let's try it and see how it goes. The Long Weekend is open. It doesn't have to be in September. Does anyone have any thoughts or suggestions? If so, let's see if we can get a few people together and talk about it. At the bottom of the Events Sign Up Sheet (see below) are some suggested places to go. Want to do one of them? This is YOUR club, its activities should revolve around YOUR desires.

Open dates on the Events Calendar are: 14 AUGUST DRIVE & DINE, OCTOBER SAT DRIVE, and the LONG WEEKEND. If you would like to sign up for one of these events, please contact Rich Gibson dynamiteboss@comcast.net or 815-494-0838.

As the driving season approaches, I ask everyone, leaders, followers and participants to please review the BBB Club driving guidelines. I suggest that everyone read all three of the guidelines so that we all know what is expected of each other. <https://www.britishbootsandbonnets.com/club-driving-guidelines>

Let's have a safe & fun driving season.

THE FEBRUARY VALENTINE DINE

Larry and Marsha Eils, Hosts

The weatherman was very cooperative for our February Dine at Ciao Bella Ristorante in Loves Park. If you could slip and slide out of your driveway, the roads were clear and made for a very pleasant drive to celebrate Valentine's Day a day early. A hardy group of 23 members enjoyed a wonderful Italian dinner and great conversation. We all are looking forward to an early spring (Groundhog prediction)! To top the evening off everyone received a special Valentine sugar cookie from the Swiss Maid Bakery in Harvard.

Although not current members, our club lost two former longtime members in February. Our thoughts and condolences to their families.

GORDIE BAGGIO 1932-2019

GIORDANO B. "GORDIE" BAGGIO died peacefully at his home on February 20, 2019 at the age of 86. Gordie was born in Rockford and was a life-long resident of Rockford and Cherry Valley, raising his family here, and associated for many years with Whitehead Realtors, Inc.

Gordie was involved in township government, the Boy Scouts, the Winnebago County Sheriff's Department, and Zion Lutheran Church.

BEVERLY J. JUUL 1946-2019

Beverly Jean Juul, was called to rest peacefully while in her home in Roscoe, Illinois on Saturday February 23, 2019. She now re-joins her husband Carl Dennis Juul, who preceded her earlier.

Bev and Dennis were members of British Boots & Bonnets for many years, being avid Austin Healey fans.

As an RN, Bev met Dennis as a patient. And she continued her nursing career through private care. She was a devoted Catholic and loving mother to her children.

DID - U - KNOW

by Facia Nearside

By 1945, following six long years of war, limey petrol heads were eager to get back into motorsport. Two very talented Royal Air Force pilots Rodney Clarke and Mike Oliver were among the most enthusiastic, and keen to develop a car of their own design. They named their company Connaught Engineering and their first successful road car was the L2. Connaught was a twist on the name of their shop "Continental Automobiles" in Send, Surry. L2 because their creation used the same engine as the Lea-Francis L-Type sports car, but they had re-engineered it to provide greatly improved performance. The machine was then clothed in a slippery aluminium body which saved weight. Privateers immediately recognized the potential of L2 which led to success of the two seater at Prescott, Silverstone, Goodwood, and Blandford.

Encouraged by these results, Clarke and Oliver conceived of a bespoke race car. Fate smiled upon them when a 1954 rule change allowed Formula 2 cars to compete at the top level in Grand Prix racing. A car they called the B-Type was quickly produced and once again fate was on their side as organizers of the 1955 Syracuse Grand Prix offered £1000 to entice entrants.

The Connaught team found themselves facing a field of Maseratis and Ferraris, most with professional drivers, while they had chosen a relatively unknown 23 year old dental student, Tony Brooks, to drive their B-Type. Unfortunately the car arrived in Sicily late on the day before the race and Brooks had only enough time for a few practice laps.

Little attention was paid to the small British contingent, as the Italian teams were quite confident of victory before the hometown crowd. That all changed dramatically as the race got underway. Brooks in the Connaught easily worked his way to the front of the pack and by the time the chequered flag fell he was more than a mile ahead of the stunned Italians. So impressive was that victory the B-Type was renamed the Connaught Syracuse. And Tony Brooks, the first British driver in history to win a Grand Prix in a British built car? He quietly went back to being a dental student.
