

British Boots & Bonnets Car Club

of
Rockford, Illinois

What we are: A Club of owners or wannabe owners of British Cars

Who we are: People dedicated to the care and feeding of our precious British autos. (Too many British cars are never enough)

What we do: British Boots & Bonnets is a driving club although there are members who have other ideas for their British cars. We drive our cars, we make them run better and we make them look nice. We have events throughout the year. Day tours, rally's, shows, tech sessions, picnics as well as monthly meetings.

We offer: A first class monthly newsletter, an up-to-date website, tech help, and the chance to mingle with other like-minded British car owners. Basically we have a great time and enjoy our vehicles and good company.

To join us: Fill out a membership application and mail it to:
