This is a rust free Texas MG. 99,999 miles. Bought from a schoolteacher in Rockford, IL. in "1996." For the following four years, Mr. Curt Bork (BBB Member) and I upgraded with the following list of new components and new rebuilt products from Moss Motors. This MG is very dependable and drives better than new.

Engine main bearings, dbl row timing chain.

Water pump.

Alternator.

Radiator & all hoses.

13- Row oil cooler with steel braided hoses.

Pertronix Flame Thrower electronic distributor.

K & N air filters.

5-speed overdrive Trans.

Clutch with ball bearing throw-out.

Fuel tank & sending unit.

Fuel pump, (solid state electronic).

Front crossed drilled slotted rotors.

Steel braided brake hoses.

Rear brakes, rebuilt with upgrade shoes.

Steel braided brake hoses on rear too.

Front shocks rebuilt.

Rear shocks new, with new leaf springs mounted.

New all rubber suspension bushing kit installed.

Steering rack & pinion assembly.

Stainless steel exhaust & hangers.

Front brakes, complete caliper rebuilt with premium ceramic pad set.

Seats bottoms & backs cushions installed. Added drivers & passengers bulb inflated lumbar supports.

72-Spoke stainless chrome plated wire wheels. 3- Ear Borrani style Jag. Knock offs.

New steering wheel & new seatbelts.

Thank you, for your consideration, and please feel free to contact me with any questions.
