Wednesday,**

**June 21, 2023**

Thunder Bay Grille  
7652 Potawatomi Trail  
Rockford, Illinois  
(near East State Street and  
Bell School Road)

**Dinner and social hour  
at 6:00 pm**

**Meeting begins at 7:00pm**

## PRESIDENT'S REPORT

**JUNE, 2023**

Greetings!

Hoping that everyone had a great Memorial Day weekend. Mowing is a chore that most of us dread doing, but at times I find it very relaxing. The weather has been hot and dry, and the grass could use some rain. That being said, I do not want the rain to interfere with the summer driving season!

Lately, I have noticed many folks out and about with their cars shined up, and their tops down. Which brings a smile to my face. May was a great month with events, I was really impressed with the tour of the Historic Auto Museum, hosted by Jim Roberts. Thanks, Jim!

June 14th, join the drive and dine to Doyle's Irish Pub, hosted by Bob and Diane Schwarzkopf. Please RSVP Bob by June, 6th.

There are also a number of regional events in the month of June, get out and enjoy some.

The Lucas motto: "Get home before dark."

Safety Fast!

Dennis

## May 17, 2023 British Boots & Bonnets Meeting

### President's Report - Dennis Klemm

Meeting called to order @ 7:03 pm

Number of members present 32

New members - Dave Wakefield, Loves Park - 3 Wheel Morgan

Guests - none

Vice President's Report -Crystal Klemm none

Secretary's Report -Chris Oakes

April 19, 2023 Minutes as printed in the Chronicle newsletter and corrected by Chris Oakes were approved.

Motion to accept the minutes was made by Ron Kuhnau

Seconded by Bruce Beneditz **Approved**

Corrections to the April 19, 2023 minutes - none

Treasurer's Report - Brian Kobischka

Activity for the period of ending 5/17/2023

#### Cash and Bank Accounts

Announcement : Hal Zenisek announced that May is the Anniversary month for The BBB.

The club was started 27 years ago at the Rathskeller in Rockford.

### Adjournment

Motion made by \_\_\_\_\_ Brian Kobischka \_\_\_\_\_

Second by \_\_\_\_\_ Nancy Kuhnau \_\_\_\_\_

Motion passed and meeting adjourned at \_\_7:25\_\_ pm

Submitted by: Chris Oakes

### **A NEW ADVENTURE IN STORE FOR THE JUNE DRIVE & "LUNCH"!**

Diane and I would like to invite you to a drive through Boone and McHenry Counties. We have chosen roads in Boone county which show off the variety of fauna that exist in Boone. We are rock certain that you will be able to see an elephant along the way. We have also chosen roads that are well suited to LBC's. We will meet at 10 am June 14 in the Museum Parking lot at the Poplar Grove Airport on Orth Road. Departure from museum at 10:15.

Lunch will be at Doyles Pub in Richmond IL scheduled for noon on their outdoor deck. Their menu is available at [Doylespub.com](http://Doylespub.com). However, if we have more than 15 people, they will only use a limited menu so that they can get everyone's food served at the same time. I will need a count of how many are going by Tuesday night June 6 as she orders supplies on Wednesday morning. Because eating is outside and LBC 's don't like rain we have no rain date set and the ride will be canceled, however, we are praying for good weather. Any questions or to sign up you can call either Diane or Bob at 815 547 9036 (land line) or my email is [trebor630@frontier.com](mailto:trebor630@frontier.com). Hope to see you on the 14th.

### **PICNIC AT THE COUNTRY HOUSE**

The Klemms' Picnic Party on May 20th was so much fun that no one thought to take pictures! A great time was had by all - members from 3 clubs including BBB as well as family. There were over 60 people attending! If you missed May 20th, be sure to mark your calendar for July 1 and motor to the Klemm's for their Early July 4th Picnic Gathering, 2702 S. Wyatt Rd, Orfordville, WI. There will be 4 clubs, so even more fun!

## PLANS IN PLACE FOR JULY DRIVE & DINE

Sandy, Donna, and Lynda have planned another evening touring roads south of Rockford, ending in Byron at the Hairy Cow. The Hairy Cow is a local craft brewery with a long list of woodfire pizzas on the menu. They also offer wings, hot dogs, 2 salads, and to-die-for cheesecake! We sampled 3 pizzas and each had our own cheesecake :)

They also have a very nice deck with a covered roof that overlooks the Rock River. No reservations, but they assured us they would be able to accommodate us.

Please meet at Baumann Park parking lot in Cherry Valley at 6pm. We will take country roads down and should arrive at the Hairy Cow around 6:30-6:45. Please let us know if you are planning to join us either at Baumann Park or meet us at The Hairy Cow, 450 E. Blackhawk Dr (Route 2).

Sandy: [mgwoman@hotmail.com](mailto:mgwoman@hotmail.com)  
Lynda: [vickery.iv@gmail.com](mailto:vickery.iv@gmail.com)

Donna: [djtoysew1@gmail.com](mailto:djtoysew1@gmail.com)

**Let's Flamingle!**

**BBB Day at the Lake!**  
**July 8**  
(Rain Date - July 9)  
**1 P.M. to ???**

Rich and Dee Gibson invite all BBB Club Members and guests to enjoy a day at the lake, enjoying the camaraderie and Tomfoolery of friends. Enjoy a kayak ride, a swim, a pedal boat adventure and a pontoon boat ride, or just relax and take it all in. Bring a suit if you wish to swim. We have PLENTY of towels and chairs!

You may wish to bring sunscreen, sunglasses and a sun hat!

Broasted chicken, soft drinks, beer and water will be served. Please bring a dish to pass. Dinner approximately 4:00 PM.

**N8609 Townline Road,  
East Troy, Wisconsin**

## **BRITS IN THE GARDENS 2023**

Once again, we have been honored by Rotary Botanical Gardens of Janesville WI with the request to display our British cars in their beautiful location. The overwhelming positive response from the public and the Rotary Gardens staff who enjoyed our unique rides last year have cemented the request for our return. The date of Sunday July 23<sup>rd</sup> has been chosen, and preparations are currently underway.

Like previous years, our cars will be distributed around the gardens from 12:00 to 4:00p.m. The greater variety of marques we display, the more interesting and successful the day will be. Complimentary entry tickets are available for club members who are unable to display their car but wish to attend the event. Come out and enjoy the 20 beautiful acres of flora.

We are arranging for media coverage and this is a great opportunity to enhance publicity for our club. It is a privilege to be asked to display our cars in this unique setting, please support your club by making plans to attend. So we may make arrangements for the day, contact Rich Cannistra to confirm your participation.

Thank you!!

# 2023 EVENTS SCHEDULE

**WEBMASTER REPORT**  
**June 2023**

Please remember you can check the club's website for the latest updates regarding club plans and event details. The home page has an announcements section, list of upcoming events, and photo gallery. The footer at the bottom of every page shows the last update. The calendar of events shows monthly activities with details available if you click on an event. You may simply search British Boots and Bonnets car club in your favorite web browser and consider Bookmarking it as a shortcut for the future. You may use this shortcut as well, simply [touch/click on the link here](#).

Summer drives, dines, car shows and other activities planned for the year are listed on the website calendar, and will be updated with changes as soon as I hear about them.

Please email, call or text me if you have questions or comments about the club's website.

Hal Zenisek  
 (815) 978-4205

The idea for the BBB May 2023 Dine and Drive activity was actually hatched some time back, and came from the evil minds of Ron Kuhnau and Jim Roberts. Well, actually, it was mostly Ron's evil mind. He had heard of this local automotive themed museum. He had also heard that Jim knew the management and ownership of the museum. Ron thought this might be an advantage, and a possible pathway to cost savings for a club meeting. What Ron did NOT know, was that Roberts knew the management because of an unfortunate incident years ago, wherein Jim had accidentally gotten locked inside the first version of the museum overnight. His mind had overloaded on all of the unique and interesting things he had seen, and sat down in the Lincoln (Abraham, not the cars) exhibit and had fallen asleep. When he awoke later that evening, the museum had turned off the lighting and locked the place up for the night. Roberts became disoriented (Yes, worse that even now) and began to stumble about the place in the near pitch black darkness. You can imagine what a whole evening in the dark and bumping into wax images of presidents and cowboys and lions and tigers and bears (oh my) would do to you. He's not been right since. And because of that incident, the owner and management of Historic Auto Attractions have continued to be nice to Jim. Actually very caring for him, lest his mind snap further. They don't want somebody to make the correlation to them locking Jim in, and his present condition, which is that of a drooling, mumbling goof. The Museum doesn't want to deal with having to pay for whatever therapies would be required to make Roberts right again. Ron had no such concerns with this issue and simply told Jim to make it happen, with whatever conditions it might trigger for him personally, be damned. Ron had an idea and Roberts was a small price to pay for the club's happiness.

So, it was with the club activities in mind, (and little concern for Jim) that the May drive and dine turned into a fine example of what can occur if we do some really exciting things as a group. The May Drive and Dine was held on Thursday, May 11.

We had approximately 65 people attending, mostly club members but also their friends and family members who were also invited to attend. We had good weather for the evening so it was a pretty good showing of wonderful automobiles out in the parking lot.

Catering had been arranged with Perfectly Seasoned catering, so to start, everyone got to go through the Sandwich buffet and get some pasta salad and chips and refreshments etc. We also had at our disposal, Mr. Wayne Lensing, the owner and founder of the "HAA" . He did a quick introduction of what to expect. Museum docent and official Historian Tony Ferrell Sr. and Museum manager Alex Merry were also at our disposal. They all know the "stories behind the story" of all the items on display. Once we had completed our meal and finished the Q & A session with the Owner and staff, we were released into the Museum. The entire facility had been reserved only for the BBB club members and guests. For the next 3 hours, the museum was ours!!

Historic Auto Attractions is one of the most eclectic and fascinating collections of cars, artifacts, and historical items in the midwest. It's actually 30 museums in one, and the building is absolutely HUGE. There are points of interest for every age and generation, and the ability to walk at your own speed and absorb what you are seeing is truly enjoyable. From the wild West, to gangsters, to presidents (I guess that last pair could be combined, eh?) to NASA and Race cars, there is something for everybody to enjoy and learn. The early reports from attendees was that almost everyone was overwhelmed by the sheer size of the place, and that it resides right here in the Rockford area. The museum has quite a good website for those who were unable to attend and who may wish to skim the surface of what lies within. Also, the museum agreed to offer discounts of \$10 to BBB members who mention the event and would want to purchase a season pass or companion pass for the season. The companion pass allows you to take a guest in with you whenever you visit, if desired. Easily the best bargain in the entrance fee offerings, and it is also a great way to support this gem of a landmark destination in our hometown area!

It was a perfect example of how fun the group gatherings can be for the BBB, and a great time was had by all. A Special "THANKS" to everybody who attended, and supported the event. It made Ron's job as social director much easier, and Jim just does what he's told anyhow, so who cares about him? We are stamping this event a success, and look forward to more Dine and Drives in the coming months!  
JR

## DID - U - KNOW by Facia Nearside

The Bristol Aeroplane Company LTD owes its beginning to a chance meeting in 1909 between Sir George White, Chairman of Bristol Carriage Company and Wilbur Wright (yes, THAT Wilbur Wright). White recognized aviation as having significant business potential and directed his efforts at not only building state of the art aircraft but by creating flying training schools as well. Bristol rapidly acquired a reputation for well designed, well-built, high-quality aeroplanes. When the war broke out in 1914 Bristol employed more than 200 people and found itself at the forefront of British aviation.

Having started as a carriage company Bristol had always considered diversifying back into automobile production, and in fact made an unsuccessful bid for Aston Martin in 1925. Following WWII, the company was left with a large work force and little work so this diversification became absolutely necessary. Wisely the board of directors realized the best way to jump start this transition would be to base production on existing technology. Bristol easily obtained BMW automobile and engine designs as war reparations. The result was the Bristol 400, a car which quickly established the reputation as a sporting gentleman's car. Produced from 1946-1949 the 400 was soon followed by the 401. Although the £4382 price tag was certainly hefty for its day, the car was meticulously engineered to aviation standards with a streamlined body developed in Bristol's wind tunnel. Just as Bristol aircraft were known for impeccable quality and durability the automobile division soon enjoyed the same reputation. The line continued to evolve with the 402 1948-1953 then the 403 1953-55. The 403 was the last to feature the borrowed BMW styling but the BMW derived 6-cylinder engine went on to power subsequent models through the 406 until 1961.

Bristol had designed a new 6-cylinder engine to replace the aging BMW type but for cost considerations turned instead to Chrysler of Canada who provided them with a 5.2 litre V8 for the Bristol 407. Most Bristol customers valued performance above economy and Bristol did not disappoint. Power continued to increase and Bristols were known as having the performance of an Aston Martin with the quiet comfort of a Rolls-Royce. To maintain this reputation of quality and exclusivity Bristol committed to building no more than three cars per week. With this output of 150 cars per year the company soldiered on through the 1970s with the 411 and 412, then through the 90s and into the new millennium with the type 603 and the Blenheim. Costs of limited production in the rapidly changing arena of a world market finally began to catch up however.

In March of 2020 Bristol Cars was officially wound up in order to pay creditors. The company had staked its reputation on the slow methodical approach to building a limited number of high-quality vehicles. This had endeared them to their loyal following of stiff upper lip customers for 75 years, but ultimately this very method which had fostered success was also their undoing.
